St George's School Extended Day Program

Director and teachers are certified staff

St George's School invites you to take advantage of our Extended Day Program. The program is child-centered and is aligned with the school's mission and academic program. The K-1 program focuses on the development of social skills, intellectual curiosity, self-esteem, and a sense of responsibility.

Activities include snack time, free play, games, and mini courses in foreign language such as Spanish, Japanese, Mandarin, French) art, science, and music in a safe, friendly, flexible environment. You may use the program on a regular monthly schedule or on a drop-in basis, provided we have room. We can take care of your childcare needs in a way that is convenient for your family and enriching for your children. You provide the child, we provide the fun!

Day and monthly rates will be available. Rates cover daily activities and snacks. Some optional field trips and enrichment activities may require separate payment to cover costs.

Families will be billed monthly through student accounts; space is reserved and charged for regardless of actual attendance. If you wish to change your schedule you must notify the school office at least one week in advance. If you know that your child will be missing a given day, please notify the program in advance.

All children must be registered in the Extended Day Program prior to attendance, even for drop-in care. There is a \$25 registration fee. You must have a St George's School Field Trip Form on file prior to attendance.

Late pick-up policy: parents will be billed for pickups past 6 p.m. closing time. Space is reserved for scheduled children, drop-ins should be scheduled in advance whenever possible (by phone: 371-6351, or in person at the school office)
